Objective

I love to create and tell stories, and hope to do so on the biggest stages, and to the widest audiences possible

Using my passion for art and business, I seek to test any limitations in media by pushing the boundaries and goals of my own ability and knowledge.

Skills & Interests

Worked in demanding Production environments within several creative disciplines, satisfying tight deadlines and within budgets. Roles have been both team based and completely individually produced, requiring grasp of both excellent motivation and good co-operation skills.

Many Canvases Advanced experience of digital techniques pertinent to production workflows. Particular expertise in: **ToonBoom Storyboard Pro, Photoshop, After Effects, Premiere, Sound booth, TvPaint, Illustrator, ToonBoom Harmony, Flix** and **Flash/Animate** having utilized these extensively for Film, TV & Digital productions.

Cross-Discipline Experienced using both PC & Mac in production, including the varied processes between both (e.g Final Cut Pro/Adobe Premiere) as well day-to-day use of **Wacom Cintiq** drawing tablets.

CGI Workflow Production and personal experience in **Maya** (including the most recent edition), and **Cinema4D**. Used extensively for Character Animation, MoGFX and modelling environments, as well as camera move utilization in both 3D and 2D/3D hybrid scenes. Familiarity with **3DSMax**.

Buisness Co-created and ran a successful Marketing & Promtotional Staffing company requiring good 1st hand knowledge of day-to-day business running, branding a product, connecting with clients and approaching & selling to the targeted audience.

Completed 2 year Media Studies course at Higher Education level with focus on Advertising and Marketing.

Recent Experience in:

Story Development - Supervising/Team Lead - Screenwriting - Show Conception - Character Animation - Motion Graphics - TV Graphics - Graphic Design - Media Development - Web Design (artistic) - Advertising and Marketing - Brand Marketing - Creative Design - Sales

OCT 2021 - PRESENT **Lead Story Artist / Story Supervisor**

Wild child Animation & Cartoon Nework

Story lead on YET TO ANNOUNCED character driven show based on beloved children's story. Leading team of 6. Working with Directors to develop world and characters.

MAY 2021 - OCT 2021 **Storyboard Artist**

DNEG / ReDefine Animation / Netflix

Storyboarding on YET TO ANNOUNCED action & character driven show with musical elements. Working in **Storyboard Pro**. Combination of Script-based and Board driven.

APR 2019 - MAY 2021 **Storyboard Artist**

Nickelodeon & Blue Zoo Studios

Storyboarding on 'It's Pony', 40x11 character-driven animated TV show for Nickelodeon US (and International markets). Working in **Storyboard Pro**. Combination of Script-based and Board driven.

MAY 2018 - APR 2019 **Storyboard & Concept Design Artist**

Important Studios

Developing upcoming feature films in a 3-person storyboarding team. Working in **Storyboard Pro** directly with Trey Parker (co-creator of *South Park*). Creating & pitching ideas, storyboarding full animatics based on written scripts/audio in a very fluid creative environment. Creating and embellishing character moments to maximise audience engagement - from gags, to action through to emotional moments.

▼ **continued**

Helping develop designs and the look and feel of the movie, including world-building development and character look and

▼ **continued** feel. Working in a small team, requiring strong discipline with constant deadline turnarounds and changing remits. Highly sensitive work, requiring principled production ethic.

SEP 2008 - PRESENT Freelance Storyboard Artist

Various Animation, Motion Graphics & Story Projects

Commissioned works for various companies and projects including **Dreanworks, National Geographic Channel, BBC**. Created content with tight turnarounds - focussing on engaging characters, compelling stories and memorable visuals. *Shorts, Credits, Digital, GIFs, Character & Live Action Boards.*

NOV 2012 - PRESENT Director, Producer & Animator

Several short films; 'Over the Top' & 'Two Birds, One Stone'

My passion projects. I have been working in my spare time on short animated films, a character study of 2 men set in the trenches of WW1 and a fun, 'Looney Tunes' inspired cartoon romp with penguins at mating season! Creating all aspects of of a film utilizing a unique 2D/3D hybrid workflow.

NOV 2010 - AUG 2015 Lead Animator / Designer / Developer

TwoFour Media Group

Expanded the animation team for a multi-national media production company.

Produced and conceived work for many clients including the **BBC, Disney, PwC (PriceWaterhouseCooper), Xbox One, Volkswagen, Yahoo!, HSBC, Audi, Sony** and many others. Created exciting, engaging and innovative content across a multitude of varying platforms from Film & TV, pre-production and pitch-phase work, MoGFX, developing concepts and ideas, Storyboarding and bringing ideas to life, and in the digital & multi-media arena - where I earned a **IVCA Digital award for Exceptional Design and Animation** (for a live online game to co-inside with a live TV show for **Channel 4**) Created animation for broadcast television all over the world from Abu Dhabi to London to the United States, commercial animation for large businesses and online content for marketing campaigns. Dealing directly with clients from big international conglomerates to local passion projects - I was able to build and sustain a reputation for delivering quality & creative projects within demanding deadlines.
